NOTICE OF CONSENT SOLICITATION

November 24, 2021

Dear SOBR Safe, Inc. Stockholder:

The Board of Directors of SOBR Safe, Inc., a Delaware corporation (the “Company” or “we”), is writing to solicit your consent on behalf of the Company to approve the following proposals (the “Proposals”):

1. To re-elect six (6) directors, namely David Gandini, Kevin Moore, Ford Fay, Steve Beabout, Jim Bardy and Sandy Shoemaker, to serve until the next Annual Meeting of Shareholders and thereafter until their successors are elected and qualified;
2. To approve an amendment to the Company’s Articles of Incorporation to approve a reverse stock split of the Company’s outstanding common stock at a ratio between of 1-for-2 and 1-for-3 in connection with the Company’s planned listing on NASDAQ (the “Reverse Stock Split”);
3. To approve an amendment to the Company’s 2019 Equity Incentive Plan to increase the shares authorized to be issued under the Plan from 3,848,467 shares to 5,200,000 shares (the “Plan Amendment”), which maintains the shares authorized to be issued under the Plan to approximately twenty percent (20%) of the Company’s outstanding common stock on the date the Plan Amendment is approved by a majority of the Company’s stockholders for issuance to Eligible Recipients, as such term is defined in the following Consent Solicitation Statement; and
4. To ratify the appointment of Macias Gini O’Connell LLP as our independent auditors for the fiscal year ending December 31, 2021 (the “Auditor Ratification”).

The Company's Board of Directors unanimously approved the Reverse Stock Split, the Plan Amendment, and the Auditor Ratification on November 4, 2021. Each of these matters is more fully discussed in the attached Consent Solicitation Statement.

In order to save the expense associated with holding a special meeting of the Company’s stockholders, the Board of Directors has elected to obtain stockholder approval by written consent (“Written Consent”) of the Proposals pursuant to Section 228 of the General Corporation Law of Delaware, rather than by calling a meeting of stockholders. The close of business on December 9, 2021 (the “Record Date”) has been fixed as the Record Date for the determination of holders of our Common Stock entitled to receive notice of and discretion to approve the Proposals.

This solicitation is being made on the terms and subject to the conditions set forth in the accompanying Consent Solicitation Statement and form of Written Consent. To be counted, your properly completed Written Consent must be received before 11:59 p.m. Eastern Time, on January 7, 2022 (the “Expiration Date”), subject to early termination of the Consent Solicitation, or extension of the Expiration Date at the discretion of our Board of Directors.

Failure to submit the Written Consent will have the same effect as a vote against the Proposals. We recommend that all stockholders consent to the Proposals, by marking the box entitled “FOR” with respect to each Proposal and submitting the Written Consent by one of the methods set forth in the attached form of Written Consent. If you sign and send in the Written Consent form but do not indicate how you want to vote as to the Proposals, your consent form will be treated as a consent “FOR” each Proposal.

This is not a notice of a special meeting of stockholders and no stockholder meeting will be held to consider any matter that will be described herein.

By Order of the Board of Directors

/s/ *David Gandini*

CONSENT SOLICITATION STATEMENT

This Consent Solicitation Statement is being furnished in connection with the solicitation of written consents of the stockholders of SOBR Safe, Inc., a Delaware corporation (the “Company”, “us”, “we” or “our”) with regard to the following proposals (the “Proposals”):

1. To re-elect six (6) directors, namely David Gandini, Kevin Moore, Ford Fay, Steve Beabout, Jim Bardy and Sandy Shoemaker, to serve until the next Annual Meeting of Shareholders and thereafter until their successors are elected and qualified;
2. To approve an amendment to the Company’s Articles of Incorporation to approve a reverse stock split of the Company’s outstanding common stock at a ratio between of 1-for-2 and 1-for-3, which could be fractional ratio between 1-for-2 and 1-for-3, such as 1-for-2.5, in connection with the Company’s planned listing on NASDAQ, with the exact split ratio to be determined by the Company’s Board of Directors (the “Reverse Stock Split”);
3. To approve an amendment to the Company’s 2019 Equity Incentive Plan to increase the shares authorized to be issued under the Plan from 3,848,467 shares to 5,200,000 shares (the “Plan Amendment”), which maintains the shares authorized to be issued under the Plan to approximately twenty percent (20%) of the Company’s outstanding common stock on the date the Plan Amendment is approved by a majority of the Company’s stockholders for issuance to Eligible Recipients, as such term is defined in the following Consent Solicitation Statement and;
4. To ratify the appointment of Macias Gini O’Connell LLP as our independent auditors for the fiscal year ending December 31, 2021 (the “Auditor Ratification”).

Our Board of Directors choose to seek stockholder approval by written consent (“Written Consent”), rather than calling a special meeting of stockholders, in order to eliminate the costs and management time involved in holding a special meeting. Written Consents are being solicited from all of our stockholders of record pursuant to Section 228 of the General Corporation Law of Delaware, rather than by calling a meeting of stockholders.

A notice of revocation or withdrawal must specify the record stockholder’s name and the number of shares being withdrawn. After the Expiration Date, all written consents previously executed and delivered and not revoked will become irrevocable.

Stockholders who abstain from approving of the Proposals, or who withhold consent of the Proposals, do not have the right to an appraisal of their shares of Common Stock, or any similar dissenters’ rights under the Delaware Corporate Law and our Articles of Incorporation and Bylaws.

Expenses of this Solicitation

This solicitation is being made by the Company’s Board of Directors, and the Company will bear the entire cost of the solicitation, including preparation, printing and mailing costs. Written Consents will be solicited principally through the mail, but our directors, officers and employees may solicit Written Consents personally, by phone or by e-mail. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries to forward these consent solicitation materials to stockholders whose shares of Common Stock are held of record by such entities, and we will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection herewith. In addition, we may pay for and utilize the services of individuals or companies we do not regularly employ in connection with this consent solicitation, if management determines it is advisable.

PROPOSALS TO BE ACTED UPON BY STOCKHOLDERS:

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors are normally elected by the shareholders at each annual meeting to hold office until their respective successors are elected and qualified, and need not be shareholders of the Company. Directors may receive compensation for their services as determined by the Board of Directors. See “Compensation of Directors.” Presently, the Board of Directors consists of six (6) members, namely David Gandini, Kevin Moore, Ford Fay, Steve Beabout, Jim Bardy and Sandy Shoemaker.

Voting for the election of directors is non-cumulative, which means that a simple majority of the shares voting may elect all of the directors. Each share of common stock is entitled to one (1) vote and, therefore, has a number of votes equal to the number of authorized directors.

Although the Company’s management expects that each of the following nominees will be available to serve as a director, in the event that any of them should become unavailable prior to being appointed, a replacement will be appointed by a majority of the then-existing Board of Directors. Management has no reason to believe that any of its nominees, if elected, will be unavailable to serve. All nominees are expected to serve until the next Annual Meeting of Shareholders or until their successors are duly elected and qualified.

Nominees For Election As Director

The following table sets forth certain information with respect to persons nominated by the Board of Directors of the Company for election as Directors of the Company and who will be elected following the effective date of the actions in this Consent Solicitation:

Family Relationships

There are no family relationships between or among the above Directors, executive officers or persons nominated or charged by us to become directors or executive officers.

Conflicts of Interest

Potential conflicts of interest are inherent in the relationships between the Company and our officers and directors. From time to time, one or more of our affiliates may form or hold an ownership interest in and/or manage other businesses both related and unrelated to the type of business that we own and operate. These persons expect to continue to form, hold an ownership interest in and/or manage additional other businesses which may compete with our business with respect to operations, including financing and marketing, management time and services and potential customers. These activities may give rise to conflicts between or among the interests of us and other businesses with which our affiliates are associated. Our affiliates are in no way prohibited from undertaking such activities, and neither we nor our shareholders will have any right to require participation in such other activities. Further, because we intend to transact business with some of our officers, directors and affiliates, as well as with firms in which some of our officers, directors or affiliates have a material interest, potential conflicts may arise between the respective interests of us and these related persons or entities. We believe that such transactions will be effected on terms at least as favorable to us as those available from unrelated third parties.

With respect to transactions involving real or apparent conflicts of interest, we have adopted policies and procedures which require that: (i) the fact of the relationship or interest giving rise to the potential conflict be disclosed or known to the directors who authorize or approve the transaction prior to such authorization or approval, (ii) the transaction be approved by a majority of our disinterested outside directors, and (iii) the transaction be fair and reasonable to us at the time it is authorized or approved by our directors.

Our policies and procedures regarding transactions involving potential conflicts of interest are not in writing. We understand that it will be difficult to enforce our policies and procedures and will rely and trust our officers and directors to follow our policies and procedures. We will implement our policies and procedures by requiring the officer or director who is not in compliance with our policies and procedures to remove him and the other officers and directors will decide how to implement the policies and procedures, accordingly.

Involvement in Certain Legal Proceedings

To the best of our knowledge, none of our directors or executive officers has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past five years that resulted in a judgment, decree, or final order enjoining the person from future violations of, or prohibiting activities subject to, federal or state securities laws, or a finding of any violation of federal or state securities laws, except for matters that were dismissed without sanction or settlement. Except as set forth in our discussion below in “Certain Relationships and Related Transactions, and Director Independence – Transactions with Related Persons,” none of our directors, director nominees, or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates, or associates which are required to be disclosed pursuant to the rules and regulations of the Commission.

Historical Compensation of Directors

Other than as set forth herein no compensation has been given to any of the directors, although they may be reimbursed for any pre-approved out-of-pocket expenses.

Indemnification of Directors and Officers

Section 1 of Article VI of our Articles of Incorporation provides that, to the fullest extent permitted by the General Corporation Law of the State of Delaware we will indemnify our officers and directors from and against any and all expenses, liabilities, or other matters.

Section 2 of Article VI of our Articles of Incorporation provides that, to the fullest extent permitted by law, no director or officer shall be personally liable to the corporation or its shareholders for damages for breach of any duty owed to the corporation or its shareholders.

Article XI of our Amended and Restated Bylaws further addresses indemnification of our directors and officers and allows us to indemnify our directors and officers in the event they meet certain criteria in terms of acting in good faith and in an official capacity within the scope of their duties, when such conduct leads them to be involved in a legal action.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 (the “Act”) may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

Aggregated Option Exercises

Long-Term Incentive Plan

Currently, our company does not have a long-term incentive plan in favor of any director, officer, consultant or employee of our company.

Certain Relationships and Related Transactions, and Director Independence

We have not entered into or been a participant in any transaction in which a related person had or will have a direct or indirect material interest in an amount that exceeds the lesser of \$120,000 or 1% of the average of the Company's total assets for the last three completed fiscal years.

We do not have a written policy concerning the review, approval, or ratification of transactions with related persons.

Our Board of Directors has a separately designated compensation committee, consisting of Steven Beabout and Ford Fay. Our Board of Directors does not have nominating or audit committees or committees performing similar functions. We also do not have a written nominating or audit committee charter. Our Board of Directors does not believe that it is necessary to have nominating or audit committees because it believes that the functions of such committees can be adequately performed by the Board of Directors.

Currently, three of our directors are considered independent, namely Steven Beabout, Ford Fay and James Bardy. Because our common stock is not currently listed on a national securities exchange, we have used the definition of "independence" of The NASDAQ Stock Market to make this determination. NASDAQ Listing Rule 5605(a)(2) provides that an "independent director" is a person other than an officer or employee of the company or any other individual having a relationship that, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The NASDAQ listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenue for that year or \$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

PROPOSAL NO. 2

AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT

General

On November 4, 2021, the Company's Board of Directors approved, declared it advisable and in the Company's best interest, and directed that there be submitted to the holders of a majority of the Company's Common Stock for approval, the prospective amendment to the Company's Certificate of Incorporation (the "**Reverse Stock Split Amendment**") to effect a reverse split of the Company's Common Stock of between 1-for-2 and 1-for-3, which could be a fractional split ratio between 1-for-2 and 1-for-3 such as 1-for-2.5, with the exact split ratio to be determined in the sole discretion of the Board of Directors without further shareholder approval (the "**Reverse Stock Split**"). The exact ratio of the Reverse Stock Split shall be determined by the Board at a later time prior to the filing of the Reverse Stock Split Amendment and shall be limited to a fractional Reverse Split ratio between 1-for-2 and 1-for-3, which could be a fractional split ratio between 1-for-2 and 1-for-3 such as 1-for-2.5 (each a "**Reverse Ratio**"). The exact Reverse Ratio will be chosen by the Company's Board of Directors in order to ensure the Company can comply with the listing requirements to list the Company's common stock on NASDAQ (as described below).

The Board of Directors of the Company believes that it is advisable and in the Company's best interests to authorize and approve the Reverse Stock Split for reasons set forth herein.

If approved by the Company's shareholders, the Reverse Stock Split, a copy of which is attached to this Consent Solicitation as Exhibit A, will be filed with the Secretary of State of the State of Delaware with an expected effective date determined by the timing of the Company's planned listing of its common stock on NASDAQ.

Effects of Reverse Stock Split

The corporate action provides for the combination of our presently issued and outstanding shares of Common Stock into a smaller number of shares of identical Common Stock. This is known as a "reverse stock split." For example, if the Board approves of a 3-for-1 Reverse Stock Split, a shareholder owning 3,000 shares of Common Stock prior to such Reverse Stock Split would hold 1,000 shares of Common Stock following such Reverse Stock Split. THE HIGHER THE REVERSE RATIO (3-FOR-1 BEING HIGHER THAN 2-FOR-1 FOR EXAMPLE), THE GREATER THE DECREASE OF RELATED SHARES EACH EXISTING SHAREHOLDER, POST-REVERSE STOCK SPLIT, WILL EXPERIENCE.

In deciding the Reverse Ratio to be used, the Board of Directors will determine the effect each split ratio will have on the price of our Common Stock and select the best Reverse Ratio to ensure that the price per share for our Common Stock meets the minimum requirements for listing on a national exchange, such as NASDAQ.

Under the proposal, once the Reverse Ratio has been determined, the applicable number of shares (between 2-for-1 and 3-for-1) of our then issued and outstanding Common Stock as of the close of business on the effective date of the Reverse Stock Split will be converted automatically into one (1) share of our post-Reverse Stock Split Common Stock. Fractional shares will not be issued. Instead, we will issue one share of our post-Reverse Stock Split Common Stock to any stockholder who would have been entitled to receive a fractional share as a result of the Reverse Stock Split.

Each stockholder will hold the same percentage of our outstanding Common Stock immediately following the Reverse Stock Split as he or she did immediately prior to the Reverse Stock Split, except for adjustments required due to the treatment of fractional shares. The Reverse Stock Split does not change the number of authorized shares of Common Stock.

If approved by our shareholders, the Reverse Stock Split will be at the Split Ratio, and effective at a time, determined by our Board of Directors in connection with our planned listing on NASDAQ. The effective date for the Reverse Stock Split will not be any sooner than 20 days after the mailing of this Consent Solicitation to our shareholders.

Reasons for the Reverse Stock Split

The primary purpose of the reverse stock split are to increase the per share price of our Common Stock in connection with our proposed listing on NASDAQ.

The reduction in the number of issued and outstanding shares of Common Stock to result from the reverse stock split is expected to increase the market price of the Common Stock to a level above the current market trading price. While the Board believes that the shares of Common Stock will trade at higher prices than those which have prevailed in the recent past, there can be no assurance that such increase in the trading price will occur or, if it does occur, that it will equal or exceed the direct arithmetical result of the reverse stock split because there are numerous factors and contingencies which could affect our market price.

Our Common Stock is currently quoted on the OTC Markets OTCQB-tier under the symbol "SOBR." A higher per share price for the Common Stock would allow us to meet minimum bid price criteria for initial listing of the Common Stock on a national securities exchange, which we plan to do in the next six (6) months. Because our Common Stock is not currently listed on a national securities exchange and presently trades at less than \$5.00 per share, trading in our Common Stock is subject to the requirements of certain rules promulgated under the Exchange Act, which require additional disclosure by brokers or dealers in connection with any trades involving a stock defined as a "penny stock." Because our Common Stock is presently classified as a "penny stock," prior to effectuating any transaction in our Common Stock, a broker or dealer is required to make a suitability determination as to the proposed purchaser of our Common Stock and to receive a written agreement meeting certain requirements. The additional burdens imposed upon brokers or dealers by such requirements could discourage brokers or dealers from effecting transactions in our Common Stock, which limits the market liquidity of our Common Stock and the ability of investors to trade our Common Stock.

The Board believes that the reverse stock split also could result in a broader market for our Common Stock than the current market. Many institutional investors are unwilling or unable due to investment restrictions to invest in companies whose stock trades at less than \$5.00 per share. Many investment advisors are subject to internal restrictions on their ability to recommend stocks trading at less than \$5.00 per share because of a general presumption that such stocks may be highly speculative. In addition, stocks trading at less than \$5.00 per share may not be marginable under the internal policies of some investment firms. The reverse stock split is anticipated to result in a price increase for our Common Stock with the possibility of relieving, to some extent, the effect of such limitations on the market for our Common Stock. Additionally, brokerage commissions on the sale of lower priced stocks often represent a higher percentage of the sales price than commissions on relatively higher priced stocks. The expected increase in trading price may also encourage interest and trading in our Common Stock and possibly promote greater liquidity for our stockholders. We also believe that the current per share price of our Common Stock has or may have a negative effect on our ability to use our Common Stock in connection with possible future transactions such as financings, strategic alliances, acquisitions and other uses not presently determinable. However, there can be no assurances that the reverse stock split will have the desired consequences.

In addition to the "Reasons for the Reverse Stock Split" listed above, the additional shares of authorized common stock that will be unissued after the reverse split could potentially allow the Company to acquire companies and/or assets with shares of its common stock. However, the Company does not currently have any plans, proposals or arrangements to acquire any other companies or assets with the additional unissued common stock. The additional shares could also be issued to the Company's management or other employees, although the Company currently does not have any plans, proposals or arrangements to issue any of the additional shares of common stock to its management or employees.

The additional shares of authorized common stock that will be unissued after the reverse split will also allow holders of the Company's convertible securities (options, warrants and/or convertible promissory notes) to convert those convertible securities into the Company's common stock.

No Dissenters Rights

In connection with the approval of the Reverse Stock Split, shareholders of the Company will not have a right to dissent and obtain payment for their shares under the Delaware Corporations Code, the Certificate of Incorporation, or Bylaws.

Accounting Matters

The Reverse Stock Split will not affect the par value of the Company's Common Stock. As a result, on the effective date of the Reverse Stock Split approved by the Company's Board of Directors, the stated capital on the Company's balance sheet attributable to Common Stock would be increased from then current amount by a factor that equals the Reverse Ratio, and the additional paid-in capital account would be debited with the amount by which the stated capital is increased. The per share net income or loss and net book value per share will be increased because there will be fewer shares issued and outstanding.

Tax Consequences to Common Stockholders

The following discussion sets forth the material United States federal income tax consequences that the Company's management believes will apply with respect to the Company and the shareholders of the Company who are United States holders at the effective time of the Reverse Stock Split. This discussion does not address the tax consequences of transactions effectuated prior to or after the Reverse Stock Split, including, without limitation, the tax consequences of the exercise of options, warrants, or similar rights to purchase stock. For this purpose, a United States holder is a shareholder that is: (i) a citizen or resident of the United States; (ii) a domestic corporation; (iii) an estate whose income is subject to United States federal income tax regardless of its source; or (iv) a trust if a United States court can exercise primary supervision over the trust's administration and one or more United States persons are authorized to control all substantial decisions of the trust. This discussion does not describe all of the tax consequences that may be relevant to a holder in light of his particular circumstances or to holders subject to special rules (such as dealers in securities, financial institutions, insurance companies, tax-exempt organizations, foreign individuals, and entities and persons who acquired their Common Stock as compensation). In addition, this summary is limited to shareholders who hold their Common Stock as capital assets. This discussion also does not address any tax consequences arising under the laws of any state, local, or foreign jurisdiction. Accordingly, each shareholder is strongly urged to consult with a tax adviser to determine the particular federal, state, local, or foreign income or other tax consequences to such shareholder related to any Reverse Stock Split.

The Reverse Stock Split is intended to be a tax-free recapitalization to the Company and its stockholders, except for those stockholders who receive shares of Common Stock in lieu of a fractional share. Stockholders will not recognize any gain or loss for federal income tax purposes as a result of the Reverse Stock Split, except for those stockholders receiving shares of Common Stock in lieu of a fractional share (as described herein). The holding period for shares of Common Stock after the Reverse Stock Split will include the holding period of shares of Common Stock before the Reverse Stock Split, provided that such shares of Common Stock are held as a capital asset at the effective time of the Reverse Stock Split Amendment. The adjusted basis of the shares of Common Stock after the Reverse Stock Split will be the same as the adjusted basis of the shares of Common Stock before the Reverse Stock Split, excluding the basis of fractional shares. A stockholder who receives shares of Common Stock in lieu of a fractional share generally may recognize gain in an amount not to exceed the excess of the fair market value of such shares over the fair market value of the fractional share to which the stockholder was otherwise entitled.

THIS SUMMARY IS NOT INTENDED AS TAX ADVICE TO ANY PARTICULAR PERSON. IN PARTICULAR, AND WITHOUT LIMITING THE FOREGOING, THIS SUMMARY ASSUMES THAT THE SHARES OF COMMON STOCK ARE HELD AS "CAPITAL ASSETS" AS DEFINED IN THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, AND DOES NOT CONSIDER THE FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY'S STOCKHOLDERS IN LIGHT OF THEIR INDIVIDUAL INVESTMENT CIRCUMSTANCES OR TO HOLDERS WHO MAY BE SUBJECT TO SPECIAL TREATMENT UNDER THE FEDERAL INCOME TAX LAWS (SUCH AS DEALERS IN SECURITIES, INSURANCE COMPANIES, FOREIGN INDIVIDUALS AND ENTITIES, FINANCIAL INSTITUTIONS, AND TAX EXEMPT ENTITIES). IN ADDITION, THIS SUMMARY DOES NOT ADDRESS ANY CONSEQUENCES OF ANY REVERSE SPLIT UNDER ANY STATE, LOCAL, OR FOREIGN TAX LAWS. THE STATE AND LOCAL TAX CONSEQUENCES OF ANY REVERSE SPLIT MAY VARY AS TO EACH STOCKHOLDER DEPENDING ON THE STATE IN WHICH SUCH STOCKHOLDER RESIDES.

AS A RESULT, IT IS THE RESPONSIBILITY OF EACH STOCKHOLDER TO OBTAIN AND RELY ON ADVICE FROM HIS, HER, OR ITS TAX ADVISOR AS TO, BUT NOT LIMITED TO, THE FOLLOWING: (A) THE EFFECT ON HIS, HER, OR ITS TAX SITUATION OF ANY REVERSE SPLIT, INCLUDING, BUT NOT LIMITED TO, THE APPLICATION AND EFFECT OF STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX LAWS; (B) THE EFFECT OF POSSIBLE FUTURE LEGISLATION OR REGULATIONS; AND (C) THE REPORTING OF INFORMATION REQUIRED IN CONNECTION WITH ANY REVERSE SPLIT ON HIS, HER, OR ITS OWN TAX RETURNS. IT WILL BE THE RESPONSIBILITY OF EACH STOCKHOLDER TO PREPARE AND FILE ALL APPROPRIATE FEDERAL, STATE, LOCAL, AND, IF APPLICABLE, FOREIGN TAX RETURNS.

Tax Consequences for the Company

The Company should not recognize any gain or loss as a result of the Reverse Stock Split.

Share Certificate Transfer Instructions

SHARE CERTIFICATES SHOULD NOT BE SENT TO US OR THE TRANSFER AGENT UNLESS THE SHAREHOLDER DESIRES A NEW STOCK CERTIFICATE IN THE POST-SPLIT SHARE AMOUNT.

Until a stockholder forwards a completed letter of transmittal, together with certificates representing such stockholder's shares of pre-Reverse Stock Split Common Stock to the transfer agent and receives in return a certificate representing shares of post-Reverse Stock Split Common Stock, such stockholder's pre-Reverse Stock Split Common Stock shall be deemed equal to the number of whole shares of post-Reverse Stock Split Common Stock to which such stockholder is entitled as a result of the Reverse Stock Split.

PROPOSAL NO. 3

APPROVAL OF AMENDMENT TO SOBR SAFE, INC. 2019 EQUITY INCENTIVE PLAN

Our Board of Directors unanimously approved the SOBR Safe, Inc. 2019 Equity Incentive Plan (the "*Plan*") on September 9, 2019, subject to stockholder approval, and authorized an aggregate total number of shares of the Company's Common Stock equal to 3,848,467, or approximately twenty percent (20%) of the Company's then-outstanding common stock on the date the Plan went effective for the issuance of certain securities to all employees (including, without limitation, officers and directors who are also employees) of the Company or any subsidiary of the Company (each a "*Subsidiary*"), to any non-employee director, consultants and to independent contractors of the Company or any Subsidiary, and any joint venture partners (including, without limitation, officers, directors and partners thereof) of the Company or any Subsidiary (each, an "*Eligible Recipient*", and collectively, the "*Eligible Recipients*"). The Plan was approved by a majority of our shareholders on September 9, 2021 and went effective on or about October 25, 2019. A copy of the Plan is attached to our Information Statement filed with the Commission on September 26, 2019. As of the date of this Consent Solicitation Statement, 2,972,166 shares have been issued under the Plan in form of stock option or restricted stock units, leaving approximately 900,000 shares available for issuance under the Plan. Our Board of Directors has approved increasing the authorized aggregate total number of shares of the Company's Common Stock that can be issued under the Plan to 5,200,000 shares, or approximately twenty percent (20%) of the Company's current outstanding common stock. The share numbers listed herein are pre-Reverse Stock Split. In the event the Plan is approved and the Reverse Stock Split detailed herein is approved, the share numbers under the Plan will be adjusted to reflect the Reverse Stock Split.

Purpose of the Plan

Under the terms of the Plan, the Compensation Committee of the Board of Directors (or the entire Board of Directors if the Company does not have a Compensation Committee) will administer the Plan (the "*Committee*"). The Committee will, at its discretion, issue the authorized Shares to Eligible Recipients in the form of: (i) stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "*IRC*") ("*Qualified Stock Options*"), (ii) stock options that do not qualify as incentive stock options ("*Non-Qualified Stock Options*" and together with the Qualified Stock Options, the "*Incentive Awards*"), (iii) Stock Appreciation Rights ("*SAR Awards*"), (iv) awards of shares that are subject to certain restrictions specified in the Plan (each a "*Restricted Stock Award*"), (v) Restricted Unit Awards ("*RSU Awards*"); (vi) Performance Awards; and (vii) Other Awards, as such terms are defined in the Plan.

The Plan advances the interest of the Company and its stockholders by enabling the Company and its subsidiaries to attract and retain persons of ability to perform services for the Company and its Subsidiaries by providing an incentive to such individuals through equity participation in the Company and by rewarding those individuals who contribute to the achievement by the Company of its operational and financial objectives. If approved by a majority of our stockholders, awards issued to "beneficial owners", as such term is defined by Rule 16a-1 of the rules promulgated under the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), will qualify for an exemption from the "short swing" profit rules contained in Section 16 of the Exchange Act, and awards under the Plan will be considered "qualified" under the rules and regulations of the Internal Revenue Code of 1986, as amended.

Below is a summary of the Plan. Unless otherwise indicated, all capitalized terms shall have the same meaning as defined in the Plan. This summary does not purport to be complete, and is qualified, in its entirety, by the specific language of the Plan, as attached to our Information Statement filed with the Commission on September 26, 2019.

Description of the Plan

Purpose. The Plan provides the Company with the ability to attract and retain highly qualified Eligible Recipients to perform services for the Company and its Subsidiaries. By providing these Eligible Recipients with equity-based Incentive Awards, the Plan gives each Eligible Recipient an incentive to perform and increase the value of the Company, aligning the interests of these Eligible Recipients with the Company and its stockholders.

Administration. The Plan will be administered by the Compensation Committee of the Board of Directors (or the entire Board of Directors if the Company does not have a Compensation Committee). The Committee may adopt rules and regulations for carrying out Plan. The interpretations and decisions of the Committee are final and conclusive on all persons participating or eligible to participate in the Plan.

Stock Subject to the Plan. Under the Plan, the Committee may award Eligible Recipients with shares of Common Stock in the form of Incentive Awards, Restricted Stock Awards, SARs, RSUs, Performance Awards, and Other Awards, as such terms are defined in the Plan. Under this proposed amendment to the Plan a total of 5,200,000 shares of the Company's Common Stock, subject to stock splits, recapitalizations and other adjustments, will be available for purchase under the Plan. The Common Stock issued under the Plan will be from authorized but unissued shares of our Common Stock.

Eligibility. Eligible Recipients may be selected by the Committee to receive Incentive Awards or Restricted Stock Awards under the Plan. Eligible Recipients include all employees (including, without limitation, officers and directors who are also employees) of the Company or any Subsidiary, any non-employee director, consultants and independent contractors of the Company or any Subsidiary, and any joint venture partners (including, without limitation, officers, directors and partners thereof) of the Company or any Subsidiary. Although the Company estimates currently that approximately twenty five (25) individuals associated with the Company and its subsidiaries will qualify as Eligible Recipients, but that number is expected to increase.

Options. Each Qualified Stock Option and Non-Qualified Stock Option (each an "Option") granted under the Plan is subject to the following terms and conditions:

(a) Exercise Price. The per share price to be paid by an Eligible Recipient participation under the Plan (each a "Participant") upon exercise of an Option will be determined by the Committee in its discretion at the time of the Option grant, provided that (a) such price will not be less than 100% of the Fair Market Value of one share of Common Stock on the date of grant with respect to an Qualified Stock Option (110% of the Fair Market Value if, at the time the Qualified Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company, or is an officer and/or director of the Company), and (b) such price will not be less than 85% of the Fair Market Value of one share of on the date of grant with respect to a Non-Qualified Stock Option.

(b) Exercise of the Options. An Option will become exercisable at such times and in such installments as may be determined by the Committee in its sole discretion at the time of grant; *provided, however*, that no Option may be exercisable after 10 years from its date of grant.

(c) Form of Consideration. The purchase price of the shares to be purchased upon exercise of an Option will be payable to the Company in United States dollars in cash or by check or, such other legal consideration as may be approved by the Committee in its discretion. The Committee, in its sole discretion and upon terms and conditions established by the Committee, may allow such payments to be made, in whole or in part, by tender of a Broker Exercise Notice, Previously Acquired Shares or by a combination of such methods. The Committee, in its discretion, may permit a particular Participant to pay all or a portion of the Option Price, and/or the tax withholding liability with respect to the exercise of an Option either by surrendering shares of stock already owned by such Participant or by withholding shares of Option Stock, provided that the Committee determines that the fair market value of such surrendered stock or withheld Option Stock is equal to the corresponding portion of such Option Price and/or tax withholding liability, as the case may be, to be paid for therewith. The Committee, in its sole discretion, may establish such other terms and conditions for the payment of the exercise price, as it deems appropriate.

(d) Value Limitation. If the aggregate fair market value of all shares of Common Stock subject to a grantee's Qualified Stock Option which are exercisable for the first time during any calendar year exceeds \$100,000, the excess options shall be treated as Non-Qualified Stock Options. For this purpose, fair market value is determined as of the grant date.

Restricted Stock Awards. Under the Plan, the Committee may grant Restricted Stock Awards to Eligible Recipients. The Committee may impose such restrictions or conditions to the vesting of these Restricted Stock Awards as it deems appropriate, including, without limitation, that the Participant remain in the continuous employment or service of the Company or a Subsidiary for a certain period, or that the Participant or the Company satisfy certain performance goals or criteria. Unless the Committee determines otherwise, all shares of Common Stock granted as a Restricted Stock Award shall have all voting, dividend, liquidation and other rights associated with becoming a holder of record of such shares as if Participant were the holder of shares of unrestricted Common Stock.

Stock Appreciation Rights. Under the Plan, the Committee may grant Stock Appreciation Rights to Eligible Recipients. A Stock Appreciation Right is the right to receive the appreciation on Common Stock that is granted under the Plan. The SARs are subject to the same terms and conditions as the Options.

Restricted Unit Award. Under the Plan, the Committee may grant Restricted Unit Awards to Eligible Recipients. A Restricted Unit Award is the right to be issued on a future date the number of shares of Common Stock that is equal to the number of restricted stock units subject to the RSU Award. As a holder of a RSU Award, a Eligible Recipient is an unsecured creditor of the Company with respect to the Company's unfunded obligation, if any, to issue shares of Common Stock in settlement of such Award and nothing contained in the Plan or any RSU Agreement, and no action taken pursuant to its provisions, will create or be construed to create a trust of any kind or a fiduciary relationship between an Eligible Recipient and the Company or an Affiliate or any other person. An Eligible Recipient will not have voting or any other rights as a stockholder of the Company with respect to any RSU Award (unless and until shares are actually issued in settlement of a vested RSU Award).

Performance Award. Under the Plan, the Committee may grant a Performance Award to Eligible Recipients. A Performance Award is an award that may vest or may be exercised or a cash award that may vest or become earned and paid contingent upon the attainment during a Performance Period of certain Performance Goals and which is granted under the terms and conditions of the Plan, with such terms as are approved by the Board of Directors. With respect to any Performance Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, the other terms and conditions of such Award, and the measure of whether and to what degree such Performance Goals have been attained will be determined by the Board.

Other Awards. Other forms of Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, including the appreciation in value thereof (e.g., options or stock rights with an exercise price or strike price less than 100% of the Fair Market Value at the time of grant) may be granted either alone or in addition to Awards provided for in the Plan. Subject to the provisions of the Plan, the Board will have sole and complete discretion to determine the persons to whom and the time or times at which such Other Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Awards and all other terms and conditions of such Other Awards.

Effective Date and Duration of the Plan. The Plan went effective on or about October 25, 2019, and terminates at midnight on October 24, 2029, unless terminated upon an earlier date by the Board of Directors. The current amendment does not extend the life of the Plan.

Registration of the Plan. The Company's Board of Directors may, at any time and in its sole discretion, elect to register the Plan and the securities authorized for issuance under the Plan with the Securities and Exchange Commission.

Termination or Amendment of the Plan. The Company's Board of Directors may, at any time and without stockholder approval, terminate or amend the Plan, including amending the Plan to increase the number of shares of Common Stock available for issuance.

U.S. Federal Income Tax Consequences

The Plan is, in part, is a qualified plan for Federal income tax purposes. As such, the Company is entitled to (a) withhold and deduct from future wages of the Eligible Recipient, or make other arrangements for the collection of, all legally required amounts necessary to satisfy any and all federal, state and local withholding and employment-related tax requirements attributable to a Qualified Stock Option, including, without limitation, the grant, exercise or vesting of, or payment of dividends with respect to, a Qualified Stock Option or a disqualifying disposition of stock received upon exercise of a Qualified Stock Option, or (b) require the Participant promptly to remit the amount of such withholding to the Company before taking any action, including issuing any shares of Common Stock, with respect to a Qualified Stock Option.

New Plan Benefits

Participation in the Plan is entirely within the discretion of the Committee. Because we cannot predict the rate at which the Committee will make awards to Eligible Recipients or the terms of Incentive Awards granted under the Plan, it is not possible to determine the number of shares that will be purchased or the value of benefits that may be obtained by executive officers and other employees under the Plan for the current fiscal year.

In the event this amendment to the Plan is not approved, the Plan will remain in existence with its current shares authorized for issuance under the Plan, but such authorized shares will not be increased.

PROPOSAL NO. 4

**RATIFICATION OF APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

The Board of Directors has appointed Macias Gini & O'Connell LLP ("MGO") as our independent registered public accounting firm to examine the consolidated financial statements of the Company for fiscal year ending December 31, 2021. The Board of Directors seeks an indication from shareholders of their approval or disapproval of the appointment.

MGO has audited the consolidated financial statements of the Company since 2020. Our consolidated financial statements for the fiscal year ended December 31, 2019 was audited by our former registered public accounting firm Hall & Company Certified Public Accountants and Consultants, Inc. ("Hall"). Hall was combined with MGO in a transaction pursuant to which Hall combined its operations with MGO, and certain members of Hall joined MGO either as employees or partners of MGO.

In connection with the audits of the fiscal year ended December 31, 2020 and the subsequent interim periods through June 30, 2021, there were no disagreements with MGO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement.

In the event shareholders fail to ratify the appointment of MGO, the Board of Directors will reconsider this appointment. Even if the appointment is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board of Directors determines that such a change would be in the interests of the Company and its shareholders.

Required Approval

We must receive affirmative Written Consents approving this Proposal No. 4, not previously revoked, representing at least 13,131,280 votes entitled to act upon this Proposal. Accordingly, abstentions from submitting your Written Consent will have the effect of a vote "AGAINST" this Proposal.

Other Agreements

From March 2021 through May 31, 2021, we conducted a “Unit” offering under Rule 506 of Regulation D, with each Unit consisting of a \$50,000 principal amount convertible debenture (the “Secured Debentures”) and a warrant (the “Warrant”) to purchase 25,000 shares of our common stock. The Secured Debentures mature two (2) years after issuance. The Secured Debentures will not be redeemable but contain an automatic conversion feature, which will cause all principal and interest due under the Debenture to automatically convert if our common stock closes at or above \$6.00 per share on NASDAQ for five (5) consecutive trading days. Interest on each investor’s Secured Debenture accrues at a rate of 12% per annum, beginning on the date we have access to the investor’s funds. At the date of their investment in the Offering, investors elected to have the interest due under the Secured Debenture paid in cash monthly or have the interest accrue and be payable on the maturity date of the Secured Debenture. For investors that elect to accrue the interest due under the Secured Debenture, the interest will be paid in cash or may be converted into shares of our common stock under the same terms as the principal amount on the maturity date. The Secured Debentures will be convertible at any time, and from time to time, beginning on the date of issuance, into shares of our common stock. The Secured Debentures will be convertible at Three Dollars (\$3.00) per share; provided, however, that the right of conversion will be limited by the terms of the Secured Debentures to the extent necessary to ensure that each Debenture holder will never beneficially own more than 4.9% of our class of common stock at any one time while any portion of the holder’s Debenture remains outstanding. The repayment of the Secured Debentures is secured by our current patent and patent applications. The Warrant attached to each Unit gives the investor the right to purchase Twenty Five (25,000) shares of our common stock. The Warrants are exercisable at any time, and from time to time, beginning on the date of issuance and expiring two (2) years after issuance, into shares of our common stock at an exercise price of Three Dollars (\$3.00) per share. In the event our common stock closes at or above \$6.00 per share on NASDAQ for five (5) consecutive trading days then we have the right to notify the holder of the Warrants that we plan to purchase the Warrants for \$0.10 each, which begins a sixty (60) day period for the holder to exercise the Warrants or we may purchase them for \$0.10 each. Under this offering, we issued secured convertible promissory notes totaling \$2,005,000 to 25 non-affiliated investors, and one then-affiliate investor – Mr. Ford Fay, one of our directors (\$50,000) and additional investors that are now affiliates - Mr. James Bardy (through an entity he controls entitled Financial House, LLC) (\$100,000) and Mr. Scott Bennett, our Executive Vice-President of Operations (\$50,000), and warrants to purchase 1,002,500 shares of our common stock with the notes and warrants having the terms described above.

In October 2020, we entered into an Advisory Agreement with Steven Beabout, a member of our Board of Directors, under which he agreed to provide us with strategic legal advice in relation to certain business and legal matters for a period of sixteen (16) months. In exchange for his services, we agreed to issue him 75,000 restricted stock units. The restricted stock units were issued under our 2019 Equity Plan and vest upon the earlier of (i) the expiration of any lock-up period that includes any of our securities owned by the Advisor after the uplift of the Corporation to a national exchange (NASDAQ, NYSE, etc.) or (ii) January 1, 2023.

On April 6, 2020, we issued 38,437 shares of our common stock to Nick Noceti, our former Chief Financial Officer, in exchange for amounts due to him for accounting fees included in accounts payable. The amount of the debt reduction, and therefore the purchase price of the shares, was \$127,840. The issuance of the shares was exempt from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, due to the fact the investor was known to our management team, is a sophisticated investor and familiar with our operations.

On April 7, 2020, we issued 6,831 shares of our common stock to Charles Bennington, one of our then directors and a former executive officer, in exchange for amounts due for Board of Director fees included in accounts payable. The amount of the debt reduction, and therefore the purchase price of the shares, was \$9,656. The issuance of the shares was exempt from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, due to the fact the investor is on our Board of Directors, is a sophisticated investor and familiar with our operations.

On or about August 28, 2019, we issued 420,927 shares of our common stock to Charles Bennington, one of our then current directors, pursuant to the terms of a Common Stock Purchase Agreement under which Bennington agreed to forgive \$595,000 in accrued salary we owed to him in exchange for the shares. The shares were issued with a standard restrictive legend.
