If answer is no, identify report(s).  Yes  No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We anticipate our financial results for the three and six months ended June 30, 2020, will differ significantly from the prior year due to the fact we closed the transaction (the "Transaction") that was the subject of that certain Asset Purchase Agreement dated May 6, 2019 (and Amendment No. 1 dated March 9, 2020, together the "APA") with IDTEC, LLC ("IDTEC"), under which IDTEC agreed to provide personnel, experience, and access to funding to assist with the development of our SOBR device, as well as to sell to us certain robotics assets, which our management believes are synergistic with our current assets, in exchange for 12,000,000 shares of our common stock after giving effect to the reverse stock split effected in connection with closing the Transaction. As a result of the increase in our operations and the debt we assumed as a result of closing the Transaction, we expect our operating expenses, other expenses, and net loss will be significantly higher for the three and six months ended June 30, 2020, compared to the three and six months ended June 30, 2019. The exact amounts and the impact those amounts have on our financial statements will not be known until our financial statements for the three and six months ended June 30, 2020 are completed.
